

Spoiled for Choice - NSZL's Collection of Posters and Small Prints is 80 years old

2016/10/24 - 2018/02/03

Chamber exhibition from the treasures of NSZL's Collection of Posters and Small Prints: charter, product catalog, peace loan, admission cards (to a parliamentary session, execution), concert and exhibition tickets, insurance slip, guild charter, PhD theses, license, wine label, menu card, ex libris, machine gun score sheet, graphic poster, obituary, other death reports...

[1]The Collection of Posters and Small Prints is both an organic and a unique division of the Hungarian national library, which became an independent division in 1935. The current exhibition was organized in order to celebrate and commemorate the event that happened 80 years ago. The aim of the exhibition is to present the diversity, variety and manifoldness of our collection.

The exhibited items were made between the 17th and 21st centuries. On the show will be items which are still used (e.g. graphic poster, postcard or obituary), and those which were characteristic of a certain period of history but today are kept and preserved only by private collectors, libraries and museums (e.g. crest of death, bill, guild charter). And all of them are part of our collection.

The following items will be exhibited in the display cabinets: charter, product catalog, peace loan, admission cards (to a parliamentary session, execution), concert and exhibition tickets, insurance slip, guild charter, PhD theses, license, wine label, menu card, ex libris, machine gun score sheet, graphic poster, obituary, other death reports, children's drawing, drug info, crest of death, notice, playing cards, driver license, card calendar, chimney sweep calendar, postcard, exhibition catalog, campaign speech, campaign song, book, bookmark, envoy pass, foldout, elevator ticket, lithography, magistrate, animal passport, invitation cards (to wedding, inauguration, event), menu card...

Organizers of the exhibition hope that everyone will find something interesting or memorable among the 183 documents, and that identifying object types can even be an entertaining game. Curators of the exhibition are Ágnes Kopcsay and Attila Tasnády.

The exhibition will be open from October 24, 2016 in the corridor adjacent to the Collection of

Igazmondó planéta.

Szeretni fogják Önt az emberek, ha iparkodik jóakarataikat megnyerni. Anyagi gondok bántani nem fogják, mert véletlen szerencse folytán előnyös helyzetbe jut. Ne legyen akkor sem kevély és iparkodják barátait megtartani, mert ellenségei Ön ellen törnek és így barátaira nagy szükség lesz.

Valaki szerelmes Önbe, akiről nem is sejtené, figyelje meg a társaságát és rá fog jönni. Ezzel mással boldogok sohasem lesznek.

Lóversenytől óvakodják, mert az veszélyt sejt Önre nézve.

Az osztálysorsjátékon játszon a 90165 számú sorsjeggyel, mely a Hecht Bankház részvénytársaságnál Ferencziek-tere 6. kapható.
